

## SURGICAL DROP-OFF APRON

### **Model: APSD**

Fluoro done? Our *Surgical Drop-Off Apron* can be removed quickly and easily without breaking the sterile field. Shoulder pads and hanging straps are standard.

- ◆ **PROTECTION:** Front .50mm
- ◆ **CLOSURES:** Velcro

## ← FLEXBACK APRON

### **Model: APFB**

The crisscrossing back panels of our *Flexback Apron* lift weight off the shoulders and support the lower back for additional comfort. Extra thick shoulder pads and chest pocket standard. Shown with Thyroid Collar.

- ◆ **PROTECTION:** Front .50mm
- ◆ **CLOSURES:** Velcro

## BACK RELIEF APRON

### **Model: APBR**

Our *Back Relief Apron* is designed to transfer the weight from the shoulder to the hips with the aid of a 6" wide elastic belt, which is available in various sizes. Extra thick shoulder pads, chest pocket and shoulder strap standard.

- ◆ **PROTECTION:** Front .50mm
- ◆ **CLOSURES:** Velcro and Quick Release Buckle

## VEST-SKIRT COMBINATION

### **Model: APVS**

Our *Vest-Skirt Combination* consists of a comfortable two-piece design which shifts 70% of the weight from the shoulders to the hips, reducing back fatigue, and also provides for sitting, kneeling or bending. Skirt features no-slip, quick release belt. Vest includes double padded shoulders and chest pocket.

- ◆ **PROTECTION:** Vest - Front .50mm / Back .25mm  
Skirt - .25mm w/front overlap design provides .50mm
- ◆ **CLOSURES:** Vest - Velcro  
Skirt - Velcro with Quick Release Belt

## ← BUCKLE APRON

### **Model: APBA**

Our quick release *Buckle Apron* is user friendly with large support straps crisscrossing the back, allowing for proper placement of the belt at the waist. Shoulder pads and chest pocket standard.

- ◆ **PROTECTION:** Front .50mm
- ◆ **CLOSURES:** Quick Release Buckle

## WRAP AROUND BACK RELIEF

### **Model: APWABR**

Our *Wrap Around Back Relief Apron* provides front and back protection and a Velcro Breakaway side seam for freedom of movement. It transfers the weight from the shoulder to the waist with the aid of a 6" wide elastic belt. Belts may be ordered in various sizes. Extra thick shoulder pads and chest pocket standard.

- ◆ **PROTECTION:** Front .50mm / Back .25mm
- ◆ **CLOSURES:** Velcro and Quick Release Buckle
